## Fire Ban Districts and Fire Danger Season

### SA Fire Ban Districts

South Australia is divided into 15 Fire Ban Districts. Each district has its own fire danger season dates, so it is important to be aware of which district you live, travel or work in. If you are unsure of which district you live in, visit the CFS website ([www.cfs.sa.gov.au](http://www.cfs.sa.gov.au)), call the Bushfire Information Hotline on 1300 362 361 (TTY 133 677) or download our mobile phone app to help you locate your Fire Ban District.

### The Fire Danger Season

The Fire Danger Season generally runs from November to April, although **these dates may change due to seasonal conditions**.

During the season, restrictions are placed on lighting fires to reduce the chance of bushfires starting.

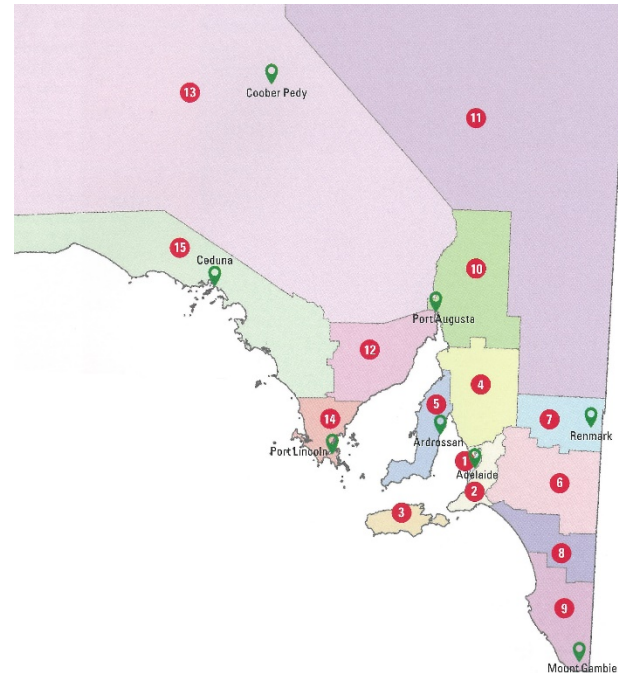

These restrictions are even tighter if it's a Total Fire Ban Day.
