

Reporting Fire and Other Emergencies

It is important for you to know how to report a fire or other emergencies to the proper authorities.

1. What is the number to ring to report a fire or an emergency?

2. Are there any other numbers that you could ring to report a fire?
_____. What are the numbers and who would you be calling?

The emergency number is the best number to ring because it ensures that all the appropriate authorities are informed.

3. In addition to the Fire Service, what other emergency service could be of assistance?

4. When you ring the emergency number, you may get asked the following responses. Beside each response write down how you would answer each response.

000 RESPONSE	YOUR ANSWER
Which State are you in?	
Which service do you require?	
What is your name?	
Where are you ringing from?	
What is the emergency?	
Where is the incident?	
Do you require assistance from other emergency services?	
Do you have any other information?
